## School Fundraising Programs

### Schools for Sleepwear

Students can purchase and donate a selection of brand new cosy and comfortable sleepwear for young people that come to GSI for support.

Items might include: Sleepwear/Loungewear, robes and slippers (ranging from child to adult sizes) or valid gift cards for sleepwear stores (e.g. Peter Alexander, Uniqlo). NOTE: Please do not pre-wrap items, delivering the new items in a shopping/large tote bag is fine.

### A Warm Welcome

Many of the women, children and gender diverse people that come to GSI arrive without any of their personal items and are experiencing crisis. A warm welcome pack may seem like a small gesture, but it is a way of letting each person know that they are supported and have people who care for them.

Every \$50 raised will help us create one fully-stocked Warm Welcome Pack, to be gifted to new residents at GSI.

### Help us purchase something extra-special

As a school community, you can contribute to the welcoming and supportive space at our refuge – with some items specifically for children and young people to enjoy. These thoughtful additions make a big difference in helping our clients feel at home.

Items we currently need include:

- A large outdoor BBQ
- A large outdoor table and chairs
- Artwork by First Nations artists
- A foosball table
- Quality bean bags for shared living area
- Indoor pots and plants
- An 'Egg Chair'
- Hammock with stand

We'll keep your students and community updated on the positive impact your contributions make!

Before making a purchase or donation, please contact GSI to confirm the item is still needed or for recommendations on appropriate products.
